Please do not use your Sat Nav for the final mile of the journey, we are not reliably found on any gadget!

From Blandford: Take the A354 towards Dorchester. At Winterbourne Whitechurch, turn right at The Milton Arms, signposted to Milton Abbas. The entrance to Luccombe Farm is 1 ½ miles up the hill, on the left. **Look for a green sign saying 'Luccombe' and various other businesses signposted, Mellulah is not signposted. Follow the private farm lane for approx ¾ mile, past a riding school, pond, business units, several cottages and barns, the lane narrows and dips down into the tiny secret hamlet of Luccombe. West Luccombe Cottage is to your left opposite the duck pond. Please use the map below and follow through the farm and up to the High Buildings for yoga parking. The yoga room and swimming pool are located in a single story building to your left as you drive up to the car park.

From Dorchester: Take the A354 towards Blandford and at Milborne St Andrew turn left towards Milton Abbas (Milton Abbey), follow this road through Milton Abbas village up the hill and take a right turn towards Winterbourne Whitechurch.
